1. General

1.1 Introduction

(1) These ETF Rules were issued by Oslo Børs ASA on 12 June 2008 and subsequently amended, most recently with effect from 10 August 2012. The rules are issued in accordance with Section 24, first paragraph, of the Stock Exchange Act¹ and Section 1, third paragraph, of the Stock Exchange Regulations.

(2) These ETF Rules provide detailed provisions and clarifications in respect of the provisions of the Stock Exchange Act, the Securities Trading Act², the Securities Funds Act³ the Stock Exchange Regulations⁴, the Securities Trading Regulations⁵ and the Securities Funds Regulations⁶, as well as the Trading and Member Rules as in force at any time. In the event of any conflict between the ETF Rules and legislation or regulations, the legislation or regulations in question shall prevail.

1.2 Exchange traded funds

(1) Units in an exchange traded fund listed on Oslo Børs are financial instruments, cf. Securities Trading Act, Section 2-2, first paragraph, No. 2.

(2) An exchange traded fund may be either an index fund or an actively managed fund. An index fund shall passively track a specified index or basket of financial instruments as stipulated in Section 6-16 of the Securities Funds Regulations.

1.3 The exchange traded fund and the fund management company

(1) The exchange traded fund and the fund management company that manages the fund shall be subject to the provisions of the Securities Funds Act and shall be supervised by Finanstilsynet (the Financial Supervisory Authority of Norway) when required by the Act.

(2) A foreign exchange traded fund and fund management company must have equivalent authorisation in their home state, and must be subject to satisfactory supervision by the relevant authorities. In the event that the manner in which the allocation of responsibilities for a foreign securities fund between the fund management company and the fund itself differs from the practice for a Norwegian securities fund, the actual allocation of responsibilities shall determine which party is responsible for complying with the requirements stipulated in these Rules.

1.4 Scope

(1) These ETF Rules apply to exchange traded funds that are listed on Oslo Børs, or for which admission to listing is sought. The continuing obligations set out in section 3 apply to exchange traded funds listed on Oslo Børs.⁷
