MARITIME ACADEMY GENERAL TERMS AND CONDITIONS TRAINING SERVICES

1 Training Services Execution

- 1.1 DNV GL shall execute the training services as described in the Scope of Training Services section in a professional manner and in accordance with the provisions of this Agreement (the "Services"). The extent of the Services to be performed shall be set out exclusively in the Scope of Training Services section, which in case of ambiguity or incompleteness shall be determined by reference to any course offer made by DNV GL to the Customer.
- 1.2 DNV GL will provide suitably qualified personnel to carry out the Services. Unless otherwise agreed, DNV GL may at any time substitute personnel assigned to the Services, provided that any replacement personnel are suitable. Customer may set forth any reasonable and reasoned objection against any of DNV GL's personnel assigned to the Services by written notice. Without undue delay after DNV GL's receipt of such notice, the parties shall meet and discuss the objections and any measures or reassignment, pending which DNV GL may without any liability or penalties suspend any performance of the Services otherwise to be carried out by the relevant personnel.
- 1.3 The Customer acknowledges and consents that DNV GL may subcontract all or part of the Services under this Agreement to subsidiaries or affiliates enterprises of DNV GL or to other qualified third parties. DNV GL is responsible for subcontracted Services in accordance with the provisions of this Agreement.
- 1.4 DNV GL does not warrant any specific result or undertake any fit for purpose obligations in connection with the content of the Services and/or subsequent use of all or parts of the content of the Services and/or Training Material and Manual and/or Deliverables.

2 General Obligations

- 2.1 The parties agree that the proper and timely performance of the Services under this Agreement relies on the parties' effective communication and exchange of relevant information. To this purpose the parties agree to use their reasonable efforts to cooperate in all necessary ways and to develop and maintain open communication and common understanding of the Scope of Training Services under the Agreement.
- 2.2 Customer agrees that DNV GL's performance of the Services requires DNV GL to be granted access and right to inspect all relevant sites and facilities and provision of all relevant, correct and complete documents and information. For this purpose, Customer shall in a timely manner make all necessary arrangements and provide DNV GL with all reasonably necessary access to the above mentioned information and sites. Unless it is explicitly agreed as part of the Services to identify discrepancies, errors, inconsistencies or omissions in the information provided by the Customer, Customer shall be responsible for the correctness of the information it provides and DNV GL is entitled to rely on the accuracy and completeness of such information for the performance of the Services.
- 2.3 Customer shall promptly inform DNV GL of any actual or likely delay in necessary access to relevant sites or facilities, or delay in providing or changes to the information necessary for DNV GL's performance of the Services. Should Customer fail to provide DNV GL with the required timely access or necessary information, DNV GL may inform Customer of the lack of access or insufficient information and may without any liability or penalties suspend the performance of the Services pending receipt of the Customer's instructions for access and/or necessary information.
- 2.4 Customer shall not use or allow the use of DNV GL's name or Deliverables, in whole or in part, in order to institute claims or to conduct legal proceedings.
- 2.5 The Customer shall ensure that DNV GL without undue delay receives a list of participants ("Participants").

Whenever DNV GL's personnel are present on Customer's facilities or sites, DNV GL's personnel shall adhere to Customer's HSE instructions provided according to this HSE clause. DNV GL or its personnel may refuse to carry out any activity, or visit any area or site, if DNV GL or its personnel in their sole discretion consider that relevant risks are unacceptable or not adequately addressed, contained or otherwise mitigated. Any such decision shall suspend both parties' obligations under this Agreement without any liability or penalties until the parties have agreed on how to proceed.
